◆ Customer & Representative Cases

Xiaoyang Zhang specializes in cross-border/domestic IPOs, refinancing, M&A restructuring, equity investments, and equity incentive plans, with a proven track record across landmark transactions. She has spearheaded notable A-share IPO projects including Dtech Technology (301377), Lucky Harvest (002965), Weigao Orthopedics (688161), and Lifotronic Technology (688389), while leading significant refinancing initiatives for Genbyte Technology (003028), ArcherMind Technology (300598), Changan Automobile (000625), EGING Optoelectronics (600537), and Ingenic Semiconductor (300223). Her practice encompasses representing both institutional investors and portfolio companies in multi-phase financing rounds, advising listed/pre-IPO entities on equity incentive mechanisms, and serving as permanent legal counsel to public corporations. Clients span transformative industries such as artificial intelligence, semiconductor chips, smart manufacturing, cross-border e-commerce, and biopharmaceuticals.
